To Whom It May Concern:

This letter is to give my highest recommendation to Sam Mollo, a trusted editor whom I have worked with for many years now.

Whenever I have a new project to edit, Sam is always my first call. He is incredibly hardworking, wonderfully creative and extremely efficient and reliable, no matter what the project entails.

I've hired Sam to edit projects ranging from spec cable TV pilot/demos to online branded entertainment videos to serving as the series editor for a YouTube Premium Channel daily docuseries. And every time, I have been impressed with the quality of Sam's work – as well as how easy he is to work with.

I'd be glad to answer any specific questions regarding Sam's abilities and qualifications that you may have, so please don't hesitate to call me directly at 818-915-0787 to discuss.

Sincerely,

Greg Spring
