To Whom It May Concern,

I would like to strongly recommend Sam Mollo as an editor for any project. I've been producing for 16 years at a variety of networks and have experience working with countless editors. I can say with confidence that Sam would be an incredible asset to any production team. If you have your own vision, he will execute it perfectly. If you prefer a more collaborative approach, Sam is always full of creative, helpful ideas to make the project the best it can be. He is highly skilled, extremely fast and an absolute pleasure to work with. Any producer would be lucky to have Sam as their editor.

Sincerely,
